PASTORAL SCREENING COMMITTEE NEWS

November 1, 2021

Greetings, New Hope family!

The Pastoral Screening Committee (PSC) presented an update on the Pastoral screening process on Saturday, October 30, 2021 at a quarterly church meeting. The Committee presented demographics of the applicant pool, status of where we are in the screening process, and an outline of the next steps in the process. The PSC progress wheel has been updated along with the Phase chart below. New Hope church members were provided with detailed information when they registered for the meeting. If you did not receive a copy of the meeting materials, you may contact the church office to obtain one.

The Committee is preparing to communicate with those applicants that will no longer be considered at this time. Those that will be considered further, will also be contacted in preparation for initial interviews. We ask for your continued patience as we move through this next phase. The Committee continues to solicit the prayers of the New Hope MBC family and ask that you remain open to seeing who God will reveal as our next Pastor.
